WHEREAS, the County entered into agreements with the Niagara County Industrial Development Agency ("IDA") and the Niagara County Development Corporation ("NCDC") (the "Agreements") pursuant to which the County provided the CDBG Grant proceeds to the IDA and NCDC for the purpose of implementing and administering the MLF, and

WHEREAS, NCDC currently operates the MLF with the administrative support of the IDA and has continued to make loans to support business development and job creation in Niagara County, and

WHEREAS, the funds held in the MLF and the loans receivable contained in the MLF constitute Program Income (as defined by CDBG regulations) of the County which is subject to certain rules and regulations promulgated by the United States Department of Housing and Urban Development (hereinafter "HUD") and the New York State Office of Community Renewal (hereinafter "OCR") regarding their use, and

WHEREAS, OCR has notified the County and other recipients of CDBG funds that it is requiring that all Program Income not spent on, or committed to, CDBG-eligible activities by March 31, 2019 be paid to the OCR by April 30, 2019, and that any loan repayments received by revolving loan funds which constitute Program Income after March 31, 2019 must be remitted to OCR and, as a result, repayments received on loans in the MLF after such date will no longer be available to make loans in Niagara County, and

WHEREAS, any proposed use of Program Income prior to April 1, 2019 must be approved by OCR, and

WHEREAS, the County Legislature, by a resolution adopted on November 20, 2018, authorized use of its Program Income to fund CDGB-eligible projects within the City of North Tonawanda, the Town of Newfane, and the City of Lockport, and

Such notes shall be of such terms, form and contents as may be prescribed by said County Treasurer consistent with the provisions of the Law. Further, pursuant to subdivision b. of Section 11.00 of the Law, in the event that bonds to be issued for any of the object or purpose authorized by this resolution are combined for sale, pursuant to subdivision c. of Section 57.00 of the Law, with bonds to be issued for any of the other objects or purposes authorized by this resolution and/or with bonds to be issued for one or more objects or purposes authorized by other resolutions of the Legislature, then the power of the Legislature to determine the "weighted average period of probable usefulness" (within the meaning of

subdivision a. of Section 11.00 of the Law) for such combined objects or purposes is hereby delegated to the County Treasurer.

Section 7. The County Treasurer is hereby further authorized, at his sole discretion, to execute a project financing and loan agreement, and any other agreements with the New York State Department of Environmental Conservation and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the specific objects or purposes described in Section 1 hereof, or a portion thereof, by a serial bond, a statutory installment bond and/or a bond anticipation note issue in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 8. The County Treasurer is hereby further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest on the bonds authorized by this resolution and any notes issued in anticipation thereof, as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and to designate the bonds authorized by this resolution and any notes issued in anticipation thereof, if applicable, as "qualified tax-exempt obligations" in accordance with Section 265(b)(3)(B)(i) of the Code.

The County Treasurer is further authorized to enter into a continuing disclosure undertaking with or for the benefit of the initial purchaser of the bonds or notes in compliance with the provisions of Rule 15c2-12, promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

Section 10. The intent of this resolution is to give the County Treasurer sufficient authority to execute those applications, agreements, instruments, or to do any similar acts necessary to effect the issuance of the aforesaid serial bonds or bond anticipation notes without resorting to further action of the Legislature.

Section 11. The validity of the bonds authorized by this resolution and of any bond anticipation notes issued in anticipation of said bonds may be contested only if:

- 1) such obligations are authorized for an object or purpose for which the County is not authorized to expend money; or
- 2) the provisions of law which should be complied with at the date of the publication of such resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication; or

RESOLUTION CALLING ON NEW YORK STATE GOVERNOR ANDREW M. CUOMO TO RESCIND HIS 2020 BUDGET PROPOSAL TO CUT AIM (AID AND INCENTIVES FOR MUNICIPALITIES) FUNDING

WHEREAS, in New York State's 2005-06 fiscal year, the AIM (Aid and Incentives for Municipalities) program was created to pull together various aid programs for cities, towns and villages in New York, while limiting local property tax growth and encouraging shared services, and

WHEREAS, municipalities across the state have utilized these proceeds in their general funds, helping to reduce the burden on taxpayers while maintaining critical services, and

WHEREAS, over the past seven years of the AIM program, funding has remained steady each year, allowing municipalities to properly budget the forecasted proceeds, and

WHEREAS, in his 2020 budget plan, Governor Andrew M. Cuomo has proposed slashing AIM funds to towns and villages across New York State by a whopping 87%, and

WHEREAS, the Governor has submitted a new proposal to restore AIM funding by mandating that counties backfill the \$60 million in AIM funding using county sales tax revenue that may or may not materialize with the implementation of the Internet Marketplace Fairness Act, and

WHEREAS, this proposal from the Governor is only hypothetical, as the County of Niagara has never collected internet sales tax, due to the fact that legislation has not been passed, and

WHEREAS, while the Governor has estimated that local governments will gain \$390 million in new sales tax revenues from these changes, the projected revenue accruing to counties is about \$185 million on a full annual basis, before sales tax is even shared with other local governments, and

WHEREAS, every single town and village in Niagara County will be adversely impacted by the governor's proposal thus impacting taxpayers in each respective municipality, and

WHEREAS, this proposal would be detrimental to the affected communities, leading to cuts in spending or raised taxes to meet established obligations, now, therefore, be it

RESOLVED, that the Niagara County Legislature does hereby oppose Governor Andrew M. Cuomo's proposed cuts to the AIM program, and be it further

RESOLVED, that the Niagara County Legislature does hereby ask Governor Cuomo to reinstate the full funding of AIM consistent with prior funding levels through use of existing revenue streams and not a new tax, and be it further

RESOLVED, that copies of this resolution be sent that the clerk of the Legislature shall forward certified copies of this Resolution to the Governor of the State of New York Andrew Cuomo, Senate Minority Leader John Flanagan, Senator Robert Ort, Speaker of the New York State Assembly Carl Heastie, Assembly Minority Leader Brian M.
