A LOCAL LAW TO CREATE EXCEPTIONS TO THE RESIDENCY REQUIREMENT FOR ASSISTANT DISTRICT ATTORNEYS

WHEREAS, the Niagara County District Attorney's Office has had insufficient staffing of Assistant District Attorneys for more than three (3) years, and

WHEREAS, the Niagara County District Attorney's Office currently has six (6) open positions for Assistant District Attorney, and

WHEREAS, several candidates for the position of Assistant District Attorney have withdrawn their names from consideration or not applied because of the residency requirement, and

WHEREAS, there have been continuous postings for openings for the position of Assistant District Attorney in various places for the past two (2) years, and

WHEREAS, this local Law is being proposed by the Niagara County Legislature due to the inability to hire Niagara County residents to the position of Niagara County Assistant District Attorney.

Be it enacted by the Legislature of the County of Niagara, New York, as follows:

Section 1. Preface: It is the strong desire of the Niagara County community to install Niagara County residents in the position of Assistant District Attorney of Niagara County. It is a strong belief of Niagara County that Niagara County residents are knowledgeable about and concerned with the affairs of Niagara County.

Section 2. Purpose: It is the purpose of this Local Law to confirm the commitment of Niagara County to hire residents who have the necessary qualifications and skills to meet the requirements of the position of Assistant District Attorney of Niagara County. This law will permit Niagara County to make an exception to the residency requirement of the Public Officers Law for the hiring of Assistant District Attorneys.

Section 3. Authority: An assistant district attorney is a local public officer. Those holding that office are, therefore, subject to the provisions of section 3 of the Public Officers Law, which requires residency in the county within which their functions are exercised. Section 10(1)(ii)(a)(1) of the Municipal Home Rule Law, empowers a county to adopt local laws that are not inconsistent with the constitution or any general law, including the residency of its officers and employees. The County of Niagara can supersede Section 3 of the Public Officer's Law with respect to the office of Assistant District Attorney, in that section 3 has become a special rather than a general law due to the exemption of the counties of Essex, Fulton, Madison, Montgomery, Putnam, Schuyler, Wyoming, and Yates, in that it does not by its terms, apply alike to the office of district attorney in every county.

Section 4. Authorization: The District Attorney is hereby authorized to make exceptions to the residency requirement to Assistant District Attorneys from outside Niagara County.

Section 5. Effect: This Local Law shall take effect upon filing in the Office of the Secretary of State pursuant to the provisions of Article 3 section 27 of the Municipal Home Rule Law.

RESOLVED, that the Niagara County Legislature shall conduct a public hearing upon said proposed Local Law at the Legislative Chambers, Niagara County Courthouse, Lockport, New York, on the 14th day of May, 2024 at 5:45 p.m., and be it further

RESOLVED, that the Clerk of the Legislature, at least six (6) days in advance of such hearing, shall post a notice upon the bulletin boards in the Courthouse in Lockport, the Civic Building in Niagara Falls shall publish such notice once in the Union Sun & Journal, and the Niagara Gazette; such notice shall contain the title of the Local Law and an abstract of the text to be prepared by the Clerk of the Legislature, with the assistance of the County Attorney's Office
