

The stage where people are motivated to receive inpatient drug treatment is often met with obstacles that can be unsafe...

716-278-8166

**We are a peer-supported, safe space,
available 24/7 for those seeking help.**

**When you're ready.
We are available.**

**The Lantern Project is a 2 bed, safe place reserved
for individuals ready to engage in treatment.**

**Participants receive special attention with Niagara County's
PATH Lantern Project. They are met with team members
that specialize in keeping individuals safe, encouraged &
motivated until their next level of care is available.**

**We utilize Recovery Advocates to assist in keeping participants,
not only safe, but to share this difficult beginning stage of action.**

**We respond to our 24/7 Hotline
with a sense of urgency.**
