

## Field Operations Technical Trainer – Buffalo, NY

National Fuel is currently seeking a **Field Operations Technical Trainer** for an outstanding career opportunity in the **Mechanical** department located at our Operations hub in **West Seneca, NY**. National Fuel is proud to have an inclusive workplace where hard work is rewarded and promotion from within is supported. We offer exciting career opportunities for talented and ambitious job seekers and encourage you to apply today.

### PRIMARY RESPONSIBILITIES:

- Support the administration of Operator Qualifications (OQs), including delivering initial and refresher training, coordinating qualification schedules, and conducting covered task evaluations for Field Operation personnel
- Maintain and continuously improve all training materials, including presentations, handouts, and hands-on instructional materials/props
- Prepare training environments by ensuring classroom setup, equipment functionality, and availability of necessary materials, tools, and resources
- Willingness to share one's own field experience(s) or lessons learned with class participants to reinforce concepts/procedures/protocols
- Clear, concise communication of topic material, and ability to interpret/explain material in numerous ways to help ensure comprehension
- Follow-up with class participants in the field, and at job locations, to reinforce procedures and concepts

### MINIMUM QUALIFICATIONS:

- Associate's degree with supervisory and/or field experience
- Experience in technical instruction, within classroom, lab, and/or field settings
- Either currently Operator Qualified, or willing to become fully Operator Qualified to National Fuel's OQ standards
- Strong mechanical aptitude and public speaking skills
- Excellent organizational, planning, and time management skills
- Proficiency with PowerPoint, Word, Excel

### PREFERRED QUALIFICATIONS:

- Bachelor's Degree with a focus in construction management, engineering technology, or process management
- Prior experience in an operational capacity with related qualifications within the natural gas industry

### ABOUT NATIONAL FUEL:

National Fuel is a diversified energy company headquartered near Buffalo, NY. Our employees continue to be the most important part of our Company and have made us who we are today. We are dedicated to the communities in which we live and work and have nearly 2,000 employees in Western NY and Northwest PA.

### COMPENSATION AND BENEFITS:

The base salary range for this position is \$62,500 – \$67,000.

*This job posting contains a pay range, which represents the range of pay that National Fuel believes, in good faith, at the time of this posting that it might be willing to pay for the posted job. The specific base pay offered to a successful applicant will be based primarily on relevant professional experience. Other components that may be considered include: individual qualifications, licensures, industry specific experience, education and market demands for specialized skills. The pay range is subject to change at any time based on various internal and external factors. Exempt positions will also be eligible for an Annual Cash Bonus Plan.*

National Fuel offers a comprehensive benefits package including the following:

- Medical and Prescription Drug Coverage
- Dental Coverage
- Vision Coverage
- 401(k) with Company Match
- Company Funded Retirement Savings Account
- Flexible Work Schedule
- Paid Time Off
- Annual variable bonus program
- Paid Company Holidays
- Parental Leave for Mothers and Fathers
- Tuition Reimbursement
- Life Insurance
- Long Term Disability Insurance
- Flexible Spending Account
- Charitable Giving Programs

### HOW TO APPLY

The successful candidate will be required to pass a DOT mandated drug test, as well as participate in random drug testing. The DOT maintains a list of banned substances which includes medical or recreational marijuana. For confidential consideration, **please submit your resume and cover letter (preferably in PDF format) by June 30, 2026, to [jobs@natfuel.com](mailto:jobs@natfuel.com). Please reference position "26-031NY – Field Op Technical Trainer" in the subject line of your email.** Attachments with a .docm extension will not be accepted.

**National Fuel is a proud equal employment opportunity employer. We believe our differences makes us all better, pushing us to look at things differently while enriching our own personal life experiences. That's why we're committed to building a diverse workforce and an equitable and inclusive work environment.**

**We celebrate diversity and do not discriminate based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, national origin, disability, veteran status, or any other legally protected basis.**
