

# Resume 1025

## OBJECTIVE

Highly motivated, dedicated, and results-driven professional to secure a position with your company in ***Production, Warehouse, Quality Assurance, Shipping & Receiving, Inventory Management, as a Stock Person, or as applicable***, utilizing my skills, training, and experience

## SUMMARY OF QUALIFICATIONS

- Some experience in a production setting, performing a wide range of duties in the manufacturing and assembling of gel-filled prosthetics/medical products, consistently achieving all daily quotas, goals and objectives, while maintaining safety at all times
- 1-year experience in a warehouse setting for the world's leading retailer, Walmart, repositioning items throughout a warehouse, maintaining the organizational system, storing items on shelves and racks, replenishing items on shelves throughout the sales floor, performing inventory management using handheld barcode scanners, and reporting surpluses and deficiencies of stock, etc.
- 2 years' experience working in the food service industry including as a Cook, Line Cook, Line Server, and Prep Cook, preparing and cooking lunches and dinners in a casual dining setting with a large chain fast food restaurant, meeting and/or exceeding all corporate and patron expectations
- Over 4 ½ years' experience providing uncompromising highest standards of Customer Service for both internal and external customers in several settings including retail, production, restaurant, and landscaping industries, assisting customers with their product/service requirements, requests, and selections, offering intelligent solutions customized to individual needs, and resolving issues to their complete satisfaction
- 1-year experience performing a wide range of duties in landscaping and lawn maintenance for residential customers, mowing lawns, raking leaves and debris, trimming shrubs and hedges, and more, meeting and/or exceeding all customer expectations
- Experienced performing inventory management utilizing handheld barcode readers, reporting surpluses and deficiencies to upper management, and restocking shelves with merchandise or other products, always commended for keeping all shelves/racks neat and well-organized
- Strong communications, analytical, and problem-solving skills
- Multi-tasks efficiently in a fast-paced setting, learns new systems quickly, and completes all projects on time or ahead of schedule

## PROFESSIONAL EXPERIENCE

04/2026 - Present

### ***Production Worker***

Amazon (Through Temporary Agencies), Niagara Falls, NY

- Worked on fast-paced production lines assembling, packaging, or preparing products for shipping while maintaining quality and speed expectations.
- Inspected products for defects, damage, or accuracy issues, ensuring all outbound items met company standards and customer satisfaction requirements.
- Supported daily warehouse operations by loading and unloading materials, sorting packages, preparing pallets, and maintaining organized workstations.
- Performed physically demanding tasks such as lifting, stacking, and moving inventory while consistently meeting productivity goals and safety standards.
- Performed thorough cleaning and sanitation of warehouse floors, break rooms, restrooms, and production areas to maintain a safe, organized, and hygienic work environment.

11/2023 - 12/2024

### ***Overnight Stock***
