---

## OBJECTIVE:

Motivated and dependable professional with a commitment to excellence, seeking a position where I can leverage my skills and contribute to a positive, productive work environment. Known for reliability, attention to detail, and a strong work ethic, I am eager to bring value to a team-focused organization.

## SUMMARY OF QUALIFICATIONS:

- Reliable and hardworking professional with extensive experience in garbage collection, pool maintenance, and repair services.
- Adept at time management and maintaining high levels of cleanliness and organization.
- Excellent customer service skills, with a proven ability to address client concerns and ensure satisfaction.
- Strong analytical and problem-solving skills, with the ability to quickly identify issues, implement solutions, and prevent recurrence. Experience in root cause analysis and continuous improvement initiatives to streamline processes and reduce waste.
- Able to thrive in fast-paced and dynamic manufacturing environments, adapting to changing priorities and deadlines. Flexible & willing to take on additional responsibilities as needed to support production operations.
- Multi-tasks effectively, learns new systems quickly, and completes all projects and assignments ahead of critical deadlines
- Works well independently or collaboratively in a team environment

## PROFESSIONAL EXPERIENCE:

### 2024 – 2024 *Refuse and Recyclable Material Collector*

Casella Waste Management, Grand Island, NY

- Collect and dispose of refuse and recyclable materials on assigned routes, maintaining efficiency and accuracy.
- Operate heavy-duty trucks and related machinery to lift, transport, and empty bins and dumpsters.
- Adhere to all safety protocols and report equipment malfunctions or safety concerns promptly.
- Communicate with customers to resolve concerns regarding waste collection schedules and services.
- Collaborate with team members to meet daily route goals and company service standards.

### 2024 – 2024 *Maintenance & Repair Worker*

Chameleon Pool & Patio, Lockport, NY

- Inspect, diagnose, and repair pool pumps, filters, heaters, and other equipment.
- Test and balance pool water chemistry to maintain safe conditions for use.
- Provide customers with guidance on proper equipment usage and pool care.
- Maintain an organized inventory of repair parts and supplies.
- Collaborate with store staff to assist customers in selecting appropriate pool products.

## EDUCATION:

### *High School Diploma*

Niagara Wheatfield, Wheatfield, NY
