PROFESSIONAL EXPERIENCE:

05/2012 – 12/2024

Roofer

Dan Thompson Roofing, Niagara Falls, NY

- Installed, repaired, and maintained residential and commercial roofs, including asphalt shingles, TPO membranes, and metal roofing, ensuring high-quality craftsmanship.
- Conducted comprehensive roof inspections, identifying areas of damage or wear and recommending cost-effective repair or replacement solutions.
- Coordinated with project managers, homeowners, and contractors to ensure timely project completion and address specific client needs or concerns.
- Maintained a safe work environment by properly using fall protection equipment, scaffolding, and ladders while ensuring all team members complied with safety standards.
- Trained and mentored junior team members in roofing techniques, safety practices, and material handling to improve overall team performance.
- Assisted in the installation of various roofing systems, including preparing surfaces, cutting materials to fit specifications, and fastening materials securely.
- Supported senior roofers by gathering tools and materials, cleaning work areas, and ensuring seamless workflow on job sites.
- Conducted minor repairs such as sealing leaks and replacing damaged shingles, ensuring roofs were watertight and functional.
- Performed measurements and calculations to accurately estimate material requirements for roofing projects, minimizing waste and reducing costs.
- Participated in job site safety meetings and ensured proper handling of hazardous materials such as adhesives and sealants.
