

Resume 967

OBJECTIVE:

Hardworking and reliable professional with over 5 years of diverse experience in production, machine operation, security, labor, and maintenance. Seeking a full-time position where my skills in equipment operation, safety compliance, and facility maintenance can contribute to operational efficiency and workplace safety.

SUMMARY OF QUALIFICATIONS:

- 3+ years of experience operating and maintaining industrial machinery in production environments.
- Strong mechanical aptitude with the ability to troubleshoot and perform minor repairs on equipment.
- Knowledge of workplace safety protocols, including OSHA standards and lockout/tagout procedures.
- Experience in security operations, including surveillance, access control, and incident reporting.
- Skilled in general labor, including material handling, assembly, and facility upkeep.
- Physically capable of performing demanding tasks, including lifting heavy objects and standing for long periods.
- Dependable team player with a strong work ethic and ability to follow instructions precisely.
- Knowledgeable and experienced in performing a variety of warehouse and assembly duties including packaging, positioning raw materials and finished products throughout warehouses, performing inventory management, and reporting surpluses and deficiencies to upper management
- Provides uncompromising highest standards of customer service to both internal and external customers, assisting individuals with their product/service requirements, offering solutions customized to individual needs, and resolving issues to their complete satisfaction.

PROFESSIONAL EXPERIENCE:

2021 - 2022 *Machine Operator*

Quality Packaging Corporation, High Point, NY

- Performed quality checks using measuring tools (calipers, micrometers) to ensure product standards.
- Conducted routine maintenance and lubrication of machines to prevent breakdowns.
- Followed safety protocols, including proper use of PPE and machine guarding.
- Assisted in troubleshooting mechanical issues to minimize downtime.

2019 – 2020 *Security Guard*

Rite Aide, Niagara Falls, NY

- Monitored store premises via CCTV and conducted regular patrols to deter theft and vandalism.
- Enforced store policies and responded to incidents, including shoplifting and disturbances.
- Maintained detailed incident reports and collaborated with law enforcement when necessary.
- Provided customer service by assisting shoppers and ensuring a safe environment.

2017 – 2017 *Laborer (Temp)*

SPS Temporaries Inc., Buffalo, NY

- Assisted in assembly line operations, including sorting, packaging, and transporting materials.
- Operated forklifts and pallet jacks to move inventory safely within the warehouse.
- Maintained a clean and organized work area to comply with safety regulations.
- Worked alongside machine operators to support production efficiency.

2016 – 2016 *Machine Operator (Temp)*

Reliable Staffing Corp, San Antonio, TX

- Operated various industrial machines (presses, lathes, drills) for multiple client sites.
- Adapted quickly to different production environments and followed strict quality guidelines.
- Assisted in setup, calibration, and minor repairs of equipment as needed.
- Maintained accurate production logs and reported defects to supervisors.

2008 – 2008 *Maintenance Worker*

Office of Parks & Recreation, Niagara Falls, NY

- Performed routine maintenance on park facilities, including benches, playgrounds, and restrooms.
- Conducted landscaping duties such as mowing, trimming, and debris removal.
- Repaired minor plumbing and electrical issues in public buildings.
- Assisted in seasonal preparations, including snow removal and winterizing equipment.
