A beautiful Veterans Memorial has broken ground in the Town of Hartland. Late in 2023, the Town of Hartland received a donation of a decommissioned Vietnam Era Bell UH-1 "Huey" Helicopter through the Army's Donation Program. This helicopter will be used to make a lasting tribute to honor and recognize veterans both living and deceased not only from Vietnam but from all conflicts that the US has been involved in. The Hartland Fire Company has graciously offered a plot of land for all to view and observe this memorial and honor those Veterans.

The Veterans Memorial will display the decommissioned Vietnam Era Bell UH-1 "Huey" Helicopter. This display will consist of four sides which will have specific significance.

Side One: Will honor 4 medal of honor recipients who have ties to the Royalton-Hartland Community.

Side Two: Will honor the pilot who flew this retired Bell UH-1 "Huey" helicopter and made the ultimate sacrifice on February 01 1968 in Vietnam.

Side Three: Share the life story of this specific helicopter. This specific bird was just blocks away during the largest terrorist attack the US has ever seen – 9/11.

Fourth Side: Will honor our veterans from the Town of Royalton and Hartland. These veterans made the ultimate sacrifice and were killed in action protecting our freedom.

The tribute bricks that will be displayed on two horseshoe shaped walls. And will be available for purchase. Loved ones may purchase different size bricks to honor and recognize those that have served or are presently serving. The bricks will be priced as follows:

4X8 - \$100 8X8- \$200 8X14- \$300

This memorial will be placed on a 4X4X6 pedestal that will lift the helicopter into the air 25 ft with steel supports and low voltage lighting to ensure a long-lasting landmark. The structure will have a 36ft circumference around with varying sized bricks laid on the ground.

The perimeter of the memorial will be adorned in a 3 ft wide patriotic themed landscaped bed, consisting of, bushes and flowers placed in mulch with its own irrigation system. With a black aluminum fence protecting the site.

To represent those that helped sponsor this beautiful tribute. Sponsors may be both individuals or corporate. Each sponsor can purchase varying size tribute bricks that will be based on the monetary donation to the project. The sponsor bricks will be placed on a 10x20 ft walkway entering the memorial,

The donations are as follows:

Bronze: 4X8 \$1,000 - \$1,999

Silver: 8X8 \$2,000 - \$4,999

An Advisory Committee has been spearheading this project to ensure that the display is befitting of the service of those Veterans. Input and support from Veterans and residents alike is welcomed. Donations will be essential to ensure this vision comes to fruition and that it will last for many future generations to pay respect to. Donations of money or materials will be essential for the project to continue momentum. Please feel free to mail donations to the Gasport American Legion Post 1253 C/O Clifford Grant at 3251 Hosmer Rd Gasport NY 14067.
