## THANK YOU!

Christi Horanburg, Katrina Riccobono of NCET & Ken Hannah of How We Roll

The WIOA Youth Team would like to thank the Newfane Methodist Church and the "How We Roll" bike crew. The group tuned up, repaired, and provided bicycles for six young adults participating in the WIOA youth program. The recipients of the bicycles are individuals who are traveling to work experiences, taking GED classes, or working in unsubsidized jobs and have had difficulty finding reliable transportation. These bikes will make a difference and enhance the success of the youth in meeting their life and career goals.

If any community member is interested in donating bike locks to provide safekeeping for the bikes, please contact Dawn Cody at [dawn.cody@niagaracounty.com](mailto:dawn.cody@niagaracounty.com)

Caleb

Caleb is our first recipient of a donated bike!

Charles

Charles is super excited about his new slick ride!

## CAREER FAIR SUCCESS

Niagara's WorksourceOne is excited to be back outside hosting our summer career fairs! Our first event occurred on June 5<sup>th</sup> at Oppenheim Park in Niagara Falls, and we almost made it to the end before the rain began. With over 70 businesses and 198 job seekers in attendance, we considered the event a success and are already looking forward to the next one! Wednesday, August 7<sup>th</sup> we will be at Day Road Park in Lockport from Noon - 3:00pm. Our first time being in the park was last year and we truly enjoyed being there! Make sure to check our website for all updates and for a list of attending businesses at [www.worksource1.com](http://www.worksource1.com).
