# June 2025 Career Fair

## NCET Successfully Kicks Off the Season

On a vibrant, albeit windy day, Niagara's Worksource One hosted a highly successful career fair at Oppenheim Park in Niagara Falls, bringing together nearly 70 businesses and 356 eager job seekers. The event showcased the region's robust job market, connecting local employers with a diverse pool of talent ready to take the next step in their careers.

Despite the breeze, the enthusiasm was palpable, with attendees praising the event's organization and the chance to connect face-to-face.

Niagara's Worksource One continues to bridge the gap between employers and job seekers, fostering economic growth in the region.

Mark your calendars for the next career fair, set for Wednesday, August 6th, at Day Road Park in Lockport, NY. Expect another opportunity to explore exciting career prospects and build meaningful connections in a thriving community hub. Stay tuned for more details!

The open-air setting provided a dynamic backdrop for networking, with businesses ranging from small startups to established companies offering opportunities across various industries. Job seekers explored roles in healthcare, manufacturing, hospitality, and more, engaging directly with recruiters to discuss open positions and career paths.

## *Congratulations Caleb*

We are incredibly proud to celebrate Caleb, a remarkable Niagara County Young Adult enrollee, who has achieved an inspiring milestone. Caleb recently graduated with his Associate's Degree in Fine Arts from SUNY Erie and has been accepted into the University at Buffalo, where he will continue his journey towards a Bachelor's Degree.

What makes Caleb's accomplishments even more extraordinary is the strength and resilience he has shown along the way. Despite facing homelessness and personal challenges, Caleb never lost sight of his goals. His determination, creativity and perseverance are truly admirable and his story is a powerful reminder that with support and courage, anything is possible.
