HOSPITAL DIVERSION
PROGRAM

716-285-3515

The Hospital Diversion Program is offered by the Niagara County Department of Mental Health & Substance Abuse Services to residents of Niagara County. The Hospital Diversion Program will provide linkages to necessary services. Adults can utilize the Hospital Diversion Licensed Clinician for supportive visits as well as linkages to community resources.

The Hospital Diversion Licensed Clinician will:

- ♦ Conduct an assessment and interview with the individual to determine needs.
- ♦ Work with the individual to determine appropriate referrals.

- ♦ Maintain contacts with the individual to provide counseling, and help maintain mental and emotional stability while the individual awaits contact with needed resources.
- ♦ Aim to assist the individual to safely remain in the community and avoid hospitalization.

The Hospital Diversion Licensed Clinician is available to provide individuals with additional after-hour support, treatment linkages, & referrals.

**Visits on weekends, evenings and holidays can be made by appointment*
