

Resume 963

OBJECTIVE:

Hardworking and detail-oriented professional with experience in landscaping, roofing, and inventory management. Skilled in physical labor, equipment operation, and maintaining organized workspaces. Known for reliability, teamwork, and a strong work ethic. Seeking to leverage hands-on experience and transferable skills in a new role.

SUMMARY OF QUALIFICATIONS:

- Proficient in operating and maintaining landscaping and roofing tools and equipment.
- Skilled in physical labor, including lifting heavy materials, working in various weather conditions, and ensuring job site safety.
- Strong organizational abilities with experience in inventory management, stocking, and maintaining clean workspaces.
- Reliable team player with excellent communication and problem-solving skills.
- Demonstrated ability to adapt to fast-paced environments and meet deadlines.
- Committed to delivering high-quality work and exceptional customer service.

PROFESSIONAL EXPERIENCE:

2024 – 2024 *Groundskeeper*

Arrowhead Golf Club, Lockport, NY

- Performed lawn maintenance, including mowing, trimming, and edging.
- Maintained fairways, greens, and roughs to ensure optimal playing conditions.
- Operated and maintained mowers, trimmers, aerators, and other turf equipment.
- Performed daily course setup, including hole placement, tee marker placement, and bunker maintenance.
- Monitored and managed irrigation systems to ensure proper watering schedules.
- Conducted pest control and fertilization programs to promote healthy turf growth.

2023 – 2023 *Groundskeeper*

Niagara County Golf Course, Lockport, NY

- Performed lawn maintenance, including mowing, trimming, and edging.
- Assisted in the daily maintenance of the golf course, including mowing, edging, and raking bunkers.
- Repaired divots, ball marks, and damaged turf to maintain course aesthetics and playability.
- Operated heavy machinery, such as tractors and utility vehicles, for transporting materials and equipment.
- Ensured all equipment was properly cleaned, serviced, and stored after use.
- Supported landscaping projects, including planting trees, shrubs, and flowers to enhance course beauty.
- Followed strict safety protocols to ensure a safe working environment for staff and players.

2021 – 2021 *Laborer*

Modesto Roofing, Modesto, CA

- Assisted roofing crews with tear-offs, installations, and repairs.
- Transported materials to and from job sites, ensuring proper handling and organization.
- Maintained a clean and safe work environment by disposing of debris and following safety protocols.
- Operated tools and equipment such as nail guns, hammers, and ladders.
- Demonstrated adaptability by working in various weather conditions and on roofs of different heights.

2021 – 2021 *Stock Clerk*

Blue Rhino, Niagara Falls, NY

- Managed inventory by receiving, organizing, and stocking merchandise.
- Conducted regular inventory counts to ensure accuracy and minimize discrepancies.
- Assisted customers in locating products and provided excellent customer service.
- Maintained a clean and organized stockroom for efficient operations.
- Operated cash registers and handled transactions during peak hours.
